Electric Sonic Toothbrush PRO-850

B.Well 

Caring for everyone

Daily dental health care

The **PRO-850** Electric Sonic Toothbrush is designed for effective and gentle cleaning of teeth, interdental spaces and gum massage.

5 operation modes help to choose the optimal mode based on your preferences and oral sensitivity and a **smart 30-second and 2-minute timer** helps to follow the dentist-recommended brushing routine.

2 brush heads with different colored bristles are **ideal for two users**.

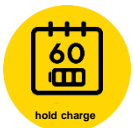

Key benefits of PRO-850:

High vibration frequency up to **39600 v/min**

5 operation modes for comfortable cleaning

60 days without recharging

Premium-quality DuPont bristles for gentle tooth cleaning and gum massage

2 brush heads included for easy replacement and continuous care
