Multi-mode Wireless Ultra-slim Combo Set

9750M

This ultra-slim desktop set combines premium materials with an elegant compact design yet featuring a numpad. Boasting a solid aluminum alloy base, the keyboard's housing is not only robust and sturdy – it also adds a touch of style to any desk setup. 9750M is not only advanced in design but also in functionality. It features Rapoo's multi-mode wireless connection– via reliable 2.4 GHz wireless transmission, Bluetooth 3.0, and Bluetooth 5.0 –

enabling you to connect simultaneously to multiple devices and change (pair automatically) among them. The mouse in this set features a high-performance optical sensor, fully adjustable from 600 to 1600 DPI, and a silent click. To top it off, the keyboard features an eco-friendly rechargeable battery so you can enjoy complete wireless freedom.

▶ Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, 5.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

▶ Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: 9750M automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

▶ Ultra-slim design with aluminum alloy

Slimline, durable, compact yet with numpad: The ultra-slim design makes this keyboard a real eye-catcher while the anodized aluminum housing offers stability and durability.

▶ Adjustable 1600 DPI sensor

Enjoy total control: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable from 600 to 1600 DPI, you can adapt it to match your preference.
