## WHAT'S IN THE BOX?

(1) Requires installation of the Motorola Nursery app. Download or update the Motorola Nursery app from your mobile device app store.

(2) Requires wireless connection to the internet and a compatible viewing device capable of displaying 720p.

(3) when there is a clear line of sight between parent and baby units. Any obstruction between parent and baby units will reduce the range significantly. With parent and baby units indoors, the typical range is up to 50 meters.

(4) Three (3) months of Motorola Nursery+ 24 hours event storage included. Subscription plan required after 3 months.

(5) The mains power cable for the camera is not shown in the wall mount / crib mount visual. Power is required.
