

Crosswave® EdgeFind Select

Unlimited power to find and capture pet hair & messes

The BISSELL® CrossWave® EdgeFind All-in-One Cordless Multi-Surface Cleaner offers unlimited power to find pet hair and messes. This all-in-one cleaner with superior corded power cuts cleaning time in half by combining vacuuming and mopping in one go, making it the perfect solution for mop and bucket users looking for a more efficient and hygienic cleaning experience.

With 2x more suction power* and FurFinder™ Headlight Technology, you can see 9x more pet fur* for a thorough clean. Automatic fluid control delivers the perfect amount of cleaning solution for virtually streak-free floors, leaving your home shining and smelling fresh.

Two-Tank Technology ensures you always clean with fresh water and solution, while dirty water stays separate, achieving a more hygienic home. Clean tight to the wall with ZeroGap™ Technology, which provides edge cleaning on the right side of the foot. When you're done, the automatic self-cleaning function flushes out dirt, hair, and debris from the brush roll, making clean-up a breeze.

The CrossWave® EdgeFind is versatile and efficient, suitable for hard floors (laminate, wood, tiles) and area rugs. Tangle Free Technology reduces hair wraps and clogs, keeping your machine running smoothly. The self-standing design allows you to take breaks without worry, preventing falls. Engineered to expertly clean pet messes, the CrossWave® EdgeFind is Pet Proven™.

Upgrade your cleaning routine with the BISSELL® CrossWave® EdgeFind and experience the difference in your home!
