## Our most advanced SpotClean<sup>®</sup> device with superior suction

Introducing the SpotClean<sup>®</sup> C9 Pro, your ultimate solution for tackling the toughest stains. Equipped with an improved SmartMix<sup>™</sup> tank for hassle-free dosing, it ensures the perfect amount of cleaning solution every time. Choose between Clean Mode for everyday spills and Max Clean mode for stubborn stains.

Enjoy 50% quieter operation, making it perfect for homes with pets or kids. The triple action system sprays, scrubs, and vacuums, while the two-tank technology and wheels provide uninterrupted, convenient cleaning. Ideal for multi-surface use, from carpets to car interiors, and featuring a HydroRinse<sup>™</sup> tool for hygienic hose cleaning.

INCLUDED  
IN THE BOX
