

STEAM SHOT™ Professional

Power of Steam to remove 99.9% of germs & bacteria*

BISSELL® Steam Shot™ Professional is a powerful high-pressure handheld steam cleaner to remove stubborn dirt and grime from many different surfaces around your home: kitchen, bathroom and much more.

It gives you a chemical-free clean using only tap water with the power of steam in a handheld unit, killing bacteria around your home. It can clean for 15 minutes on a single tank.

Using the steam on demand trigger, you can provide steam wherever you need it. This multi-purpose product includes a full complement of tools for a wide variety of different cleaning tasks.

Steam Shot™ Professional comes with an extended cord to allow a larger operating radius.

*Kills 99.9% of Staphylococcus aureus, Klebsiella aerogenes, and Aspergillus niger when used as directed. Testing conducted in a third-party laboratory under controlled conditions. Results may vary.
