

# POWERFRESH® SLIM STEAM

## STEAM ANYWHERE\* WITH 3 MACHINES IN 1

\*For interior use only

The BISSELL PowerFresh Slim Steam provides a superior clean both on and above your floors, converting from an upright steam mop to an extended reach surface cleaner, with a portable handheld steam cleaner.

Designed for use on all hard floors such as hard wood, ceramic, linoleum, granite and marble. The on-demand steam trigger allows you to dispense just the right amount of steam onto your floors.

Steam cleans multiple surfaces in your home with a variety of tools that can be used universally on both the extension wand and handheld steam cleaner.

This 3 in 1 steam mop is also equipped with a handy tool kit so you can carry tools while you clean.

The slim design as well as its low profile and swivel steering allows you to easily maneuver and reach into those tight spaces in your home such as under tables, along baseboards and edges and more. Once cleaning is complete, store your steam mop on the included wall mount for your convenience.
