## Monitor what matters

Stay connected to your little one from anywhere with the VM65X CONNECT. The crib mounts provides you with an overhead view of your baby. Monitor while at home on the 5" parent unit, or stream live in Full HD, using the Motorola Nursery app when you're away. Oversee the entire room with digital pan and tilt and get a close-up view using the digital zoom. Monitor the room temperature to ensure the nursery is comfortable for your baby. Speak to and hear your little one with two-way talk and soothe them to sleep with a lullaby, soothing sound, audiobook, or personal recording. When your baby is not in their crib, simply detach the camera to use elsewhere in your home.
