

This 4-colour signage and display printer offers increased productivity through innovative, high-capacity 1.5-litre ink pouches.

Create everything from simple signage to high-end display and décor on different substrates. The SC-S60600L offers the user enhanced reliability, productivity and media flexibility. Epson's bulk ink solution, with 1.5-litre ink pouches, ensures reduced downtime, convenience, and lower ink costs. As with all signage printers in the range, they're low-maintenance, highly reliable and easy to use.

#### Flexibility

Epson offers printers and inks that can confidently handle a wide range of substrates, which allows businesses to meet their clients' demanding briefs. The SC-S60600L prints on substrates, including: clear film, vinyl, canvas, and photographic paper.

#### Low TCO

Reduce print costs with Epson's bulk ink solution (large capacity 1.5-litre ink pouches) and minimise user intervention with automated head-cleaning, for longer uninterrupted print runs. Maintain accurate print costing with the LFP Accounting Tool.

#### Productivity

Users will benefit from ease of use, low maintenance, and fast print speeds with no loss of quality. Productivity is also enhanced by using Epson Edge Print Software, Epson Edge Control Dashboard and access to over 250 ICC profiles.

#### Reliability

All components are manufactured by Epson for consistently high-quality construction and durability. The SC-S60600L also features automated head maintenance and the ink mist collection system to further reduce downtime. All printers include a two year standard warranty, with extended warranty options available.

#### KEY FEATURES

- **Epson's bulk ink solution**  
Convenient 1.5-litre ink pouches reduce downtime and lower ink costs
- **Superior-quality results**
