

POWERCLEAN FURFINDER™ PRO

Powerfully find and capture pet hair everywhere!

The BISSELL® PowerClean FurFinder™ Pro is a 200W cordless stick vacuum designed for pet owners. With FurFinder™ Headlight Technology, it reveals hidden fur and debris, while the FurFinder™ Tool removes up to 95% of embedded pet hair from upholstery 2x faster than Rowenta.

The tangle-free brush roll reduces hair wrap, and the HEPA Sealed Allergen System traps 99.97% of dust and dander to improve air quality. Its 3-in-1 versatility allows easy switching between stick and handheld modes, and the self-standing design adds convenience.

The removable battery provides up to 40 minutes of cordless power. Built for durability, it includes a five-year limited warranty on the device and a two-year warranty on the battery, making it a powerful and pet-friendly cleaning solution.
