Multi-Mode Wireless Mouse

MT760L

This advanced wireless mouse offers superior comfort and functionality in an elegant, beautiful full-size design perfect for users with preference for a larger mouse. The main feature of multi-mode wireless connection – via Rapoo's reliable 2.4 GHz wireless transmission, Bluetooth 4.0 or Bluetooth 5.0 – allows you to connect simultaneously to multiple devices and change (pair automatically) among

them. With MT760L precise navigation on nearly any surface is possible thanks to the high-performance sensor and fully adjustable 4000DPI. To make it even better, MT760L features a rechargeable battery so you can enjoy wireless freedom without having to replace batteries.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between *Bluetooth 4.0*, *Bluetooth 5.0* and *2.4 GHz* ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your mouse regardless of USB port shortage or the loss of receiver.

► Automatically switch among multiple connected devices in one click Automatic pairing)

Connect to all your devices: MT760L automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them. It simplifies complicated cross-platform maneuvers and meets multi-tasking requirements.

► Adjustable 4000 DPI HD sensor

Precise down to the last pixel: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable up to 4000 DPI, you can adapt it to match your preference. What's more, this high-performance sensor enables you to use MT760L on nearly any surface.

► Eco-friendly rechargeable battery

No more replacing batteries: thanks to the built-in eco-friendly lithium battery, a full charge can last up to 30 days. It eliminates the need for replacing batteries.

Specifications:

Multi-mode wireless connection:

2.4 GHz, Bluetooth 4.0, Bluetooth 5.0

Adjustable 4000 DPI HD sensor

10 mouse buttons incl. a side scroll-wheel & DPI switch

Programmable buttons

Bluetooth/2.4GHz switch button (keyboard)

Rechargeable lithium battery (800 mAh)

Wireless charging extension module extra available

Nano USB receiver

On/Off switch

Package Contents:

Wireless mouse, Nano USB receiver,

USB charging cable, Quick Start Guide

Available Colors:

System Requirements:

Windows® XP/Vista/7/8/10/11

USB Port
