Adjustable 1600 DPI laser sensor

Eco-friendly rechargeable battery

Multi-Mode Wireless Mouse

Ralemo Air 1

Ralemo Air 1 makes a statement with its one-of-a-kind modern elegant, yet sturdy, design, beautifully crafted with aluminum alloy. The compact shape is designed for a comfortable grip and is further boosted by a 'silent click' feature, which gives freedom and peace of mind wherever your work is. This wireless mouse transmits using Rapoo's latest and powerful multi-mode wireless – via Rapoo's reliable 2.4 GHz wireless transmission, Bluetooth 3.0, or Bluetooth 5.0 – allowing a simultaneous

connection to up to 3 devices and changing (pairing automatically) among them. Precise navigation on nearly every surface is also a breeze thanks to the adjustable 1600 DPI sensor. To make it even better, this stylish mouse also features a rechargeable battery so you can enjoy wireless freedom without having to replace batteries. You can even charge it wirelessly via Qi charging and enjoy up to 25 days of browsing in style before the next charge!

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, 5.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

► Automatically switch among 3 connected devices in one click (Automatic pairing)

Connect to all your devices: Ralemo Air 1 automatically pairs the working device. It simultaneously connects to up to 3 devices, and easily switches among them. It simplifies complicated cross-platform maneuvers and meets multi-tasking requirements.

► Adjustable 1600 DPI sensor

Enjoy total control: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable from 600 to 1600 DPI, you can adapt it to match your preference.

► Eco-friendly rechargeable battery

No more replacing batteries: thanks to the built-in eco-friendly lithium battery, a full charge can last up to 25 days. It eliminates the need for replacing batteries.
